DESCRIPCIÓN / DESCRIPTION

ESP

Modern Mid-Century

Momic de Rafa García, es la reinterpretación del clásico sofá de los años cincuenta (Mid-Century) adaptado a un estilo de vida actual. Líneas delicadas, curvas suaves y formas orgánicas dan lugar a una familia de asientos de elegante sencillez y estética atemporal.

Momic se compone de un amplio programa modular. Dos medidas de asiento son el punto de partida para dar forma a sofás de 2 y 3 plazas, módulos con y sin brazo, varias opciones de chaise longue, un puf, terminales y una pieza con un ángulo de 45° para generar todo tipo de composiciones.

Las almohadas están sueltas y las costuras en el respaldo aportan un toque sutil y distintivo. Las almohadas de respaldo incorporan un refuerzo de espuma, para que se mantengan erguidas cuando nos sentamos.

Las patas de madera de fresno adquieren protagonismo al enmarcar las sinuosas líneas de los brazos. Éstas se pueden personalizar en todos los colores de tintes de nuestra carta.

La estética Mid-Century es bien conocida por hacer uso de colores vibrantes, aunque contrastados con tonos más neutros y calmados. Así es también la amplia oferta textil en la que puede tapizarse Momic.

Estilo moderno para interiores contemporáneos y dinámicos.

Modern Mid-Century

As its name suggests, Momic by Rafa García is the reinterpretation of the classic shapes of 50s sofa aesthetics (Modern Mid-Century) for a modern lifestyle. Delicate lines, soft curves and organic shapes create a seating family of elegant simplicity and timeless appearance.

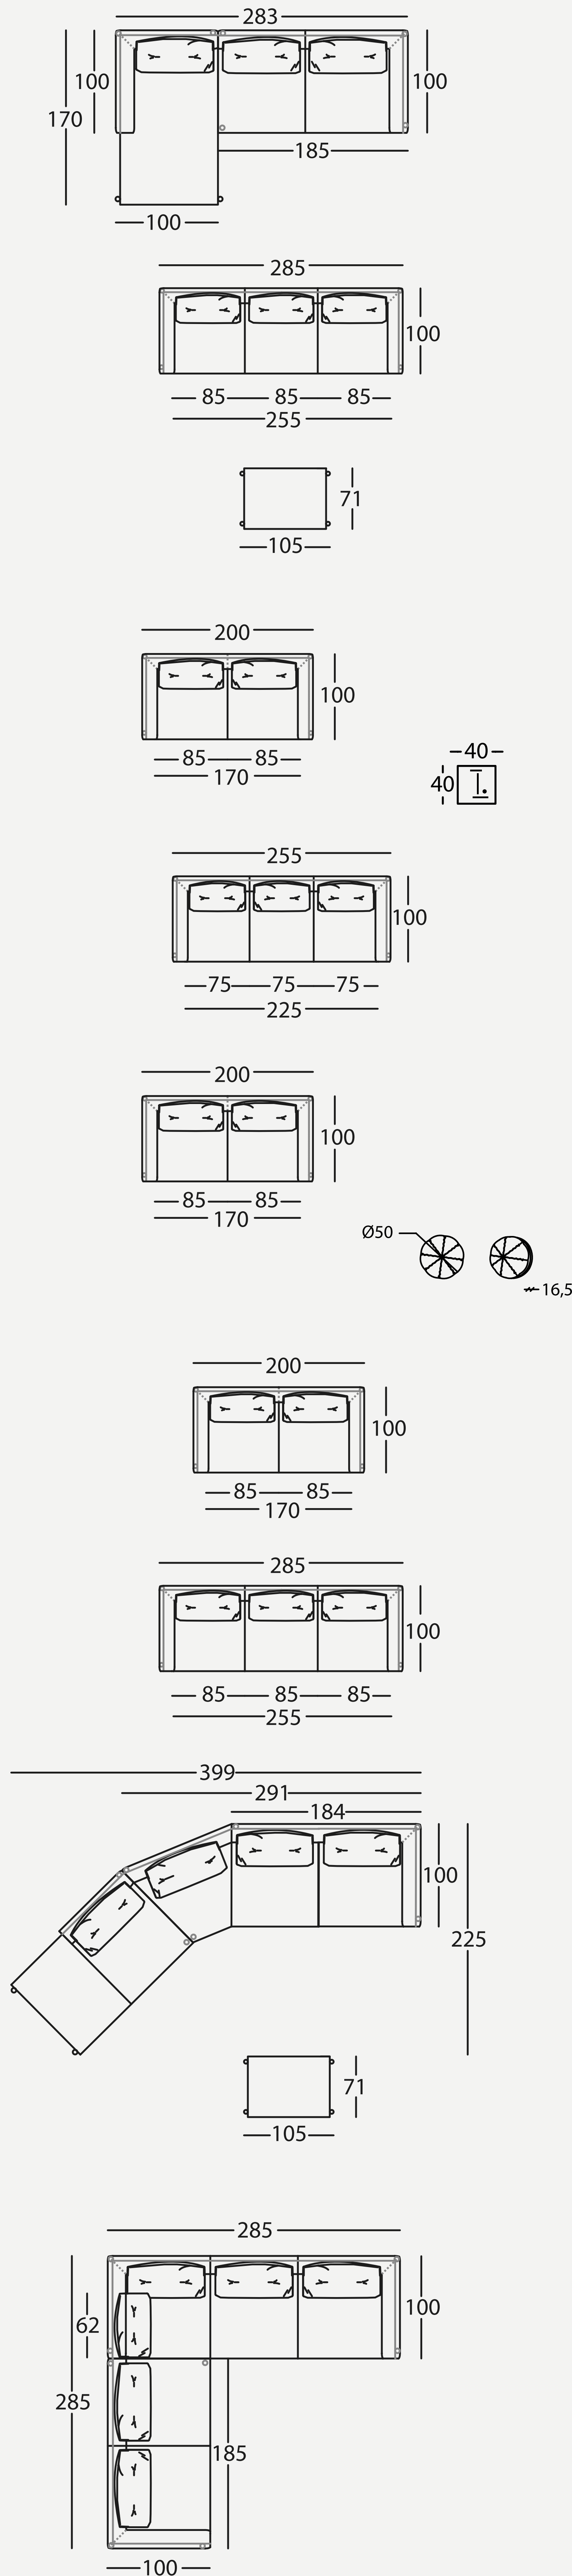

Momic boasts an extensive sectional programme. Two seat sizes are the starting point to create 2 and 3-seater sofas. Create your composition from a range of modules, with or without armrests, a variety of chaise longue sizes, a pouf, terminal pieces and a 45° angled module. A design that adapts to both small spaces and large open-plan layouts.

Relatively compact in size, with tall legs and a thin structure, Momic almost seems to be floating in midair. The back cushions feature a subtle, distinctive detail and are reinforced with foam so that they remain firm when sitting back.

The sturdy ash wood legs take centre stage, available in any of our stain colours, they frame the sinuous lines of the armrests.

The Mid-Century aesthetic is well known for its use of vibrant colours, contrasted with neutral tones, easy to replicate with the wide range of fabrics in which Momic can be upholstered.

Modern flair for contemporary, dynamic interiors.
